Dr. Joshua Lederberg
Office of the President
The Rockefeller University
New York, N. Y. 10021

Dear Josh:

Congratulations and best wishes in your new venture. I am very confident you will provide the conceptual leadership to maintain and improve the position of The Rockefeller University.

The Josiah Macy Foundation notified me that they have not as yet received a reference letter from you. I know that you are very busy all the time so I would appreciate it greatly if you could take care of that matter.

Sincerely yours,

Morton Mandel
Professor
